

### Coldwater Ridge Visitor Center

The only visitor center open year round! The west side of Mount St. Helens shows how humans and Mother Nature have come together to revitalize an area desolated by the enormous eruption of Mount St. Helens. Food service, gifts, souvenirs, and monument passes available.

Hours: 10:00 am to 5:00 pm October - April • 10:00 am to 6:00 pm May - September

PH:360-274-2984 • FAX: 360-274-2996

### Mount St. Helens Loop Tour

This geological wonder tour will take approximately five hours of driving time to completely circle the mountain. There are many attractions, campgrounds, and other outdoor activities to see and do along the way. The loop tour will provide an excellent perspective of the eruption, permanent scars and rebirth of the environment surrounding Mount St. Helens.

- Hiking
- Picnic Area
- Camping
- Boat Launch
- Fishing

### Cascade Peaks Restaurant and Gift Store

The northeast side of the mountain still portrays what the area looked like immediately following the eruption of Mount St. Helens. Rivers of pumice (solidified magma) frozen in time, barren landscapes, and blast scarred wilderness still exist as it did 20 years ago. Food service, gifts, souvenirs available. The Miner's Car and Spirit Lake Trailhead are close by. Great views of the crater!

Hours: 10:00 am to 6:00 pm June - September
